2. 11) It has become necessary to give detailed figures since the Comptroller mentions that there are appreciable differences under Sub-Heads.

3. 12) The totals for October & December 1926, tally, but there are differences under Sub-heads owing to the clubbing together of items & mixing up of Receipt figures as given below:-

Comptroller's Figures as per monthly statements received	Departmental Figures as maintained from particulars received from parties.
October 1926.	October 1926.
1. Royalty - Rs.3,136-2-3.	1. Royalty- Rs.3,136-2-3
2. Application Fees.Rs. 109-13-0.	2. Application Fees Rs. 100-0-0.
Rs.3,245-15-3.	3. Rent on Prospecting Lands Rs. 9-13-0
	Rs.3,245-15-3
December 1926.	December 1926.
1. Royalty - Rs.2,717-8-5.	1. Royalty- Rs.2,717-8-5.
2. Application Fees.Rs. 581-0-0.	2. Application Fees.Rs.105-0-0
3. Rent on Prospecting Lands 370-0-0.	3. Rent on Prospecting Lands 680-0-0.
4. Other Items.Rs. 12-15-6.	4. Rent on Mining Lands. Rs. 170-10-0.
Rs.3,682-1-11.	5. Other Items.Rs8-15-6.
	Rs.3,682-1-11.

4. 13) It is in the November account there is considerable variation as under:-

Taking the Comptroller's figures for Royalty, Viz.Rs.1741-13-7, an item of Rs.11-9-7, which forms part of Land Revenue has to be excluded and an item ~~should be a included~~ of Rs.8-12-0 should be included. This gives an

NOTE—Contn. Sheet

Serial No.

am actual total of Rs.1739/- under Royalty, which is this Departmental figure.

Rent on Prospecting Lands. - Rs.123-9-0.

5. 14) Instead of Rs.123-9-0, it should be Rs.114-13-0. A sum of 8-13-0 is wrongly included here. It should form part of Royalty, as mentioned above. (Our original figure in November 1926 was Rs.89-13-0, but subsequently in February 1927, after the submission of our quarterly statement, we have received credit of Rs.25/- under Rent on Prospecting Lands, making up Rs.114-13-0.)

Application Fees.....Rs.70/-.
Other Items.....Nil.

6. 15) Comptroller's figure to the Secretary, Development Departments, under other items in November is nil; but in the monthly statement furnished to this office he has mentioned under Other Items- Rs.183-8-0, which I believe he has credited now under Mines. Out of this Rs.25/- should form part of Application Fees, and Rs.153-8-0 should go to Mines account. At the time of our office submission of accounts, Application Fee was shown as Rs.70/- since we did not know then of the Rs.25/- mentioned above. So under Application Fees in November it should be Rs.95/-, both in the Comptroller's statement & in the Departmental accounts.

7. 16) Again the Comptroller has not taken into account under Other Items, a sum of Rs.9/- paid on 20-11-'26, to State Huzur Treasury.

8. 17) Attention of the Comptroller to such differences has been drawn regularly by this

Department.

9.18) Under Deposits, Rs.200/- is shown by the Comptroller. But this figure should be Rs.375/-.

1. Returned with compliments.

2. In re - Comptroller's observations in para 21 Supra -

This Department on receipt of the monthly Statements of credits from the Comptroller has always been taking prompt and necessary action in regard to the variations observed, by correspondence with the Treasuries concerned and

NOTE—Contn. sheet.

requiring to propose corrections so as to - bring about reconciliation.

3, In re- para 22 Supra.

The separate head Mining & Explosives receipts' under X is noted and will no doubt improve matters as all receipts from the - Chief Inspector of Mines will be credited to that head from July onward.

4. In re- para 23 Supra-

This has been regularly done, the letters being addressed to the Officer in Charge of the Huzur Treasury, which is a branch of the Comptroller's Office.

5. With reference to No.2509/Bks. dated 23-5-1927, from the Comptroller to the Secretary, Development Departments, furnishing Geological receipts for March quarter against the - figures furnished in the D.C.B. Statement, a Statement is appended hereto furnishing full explanation in regard to the variations. It will be seen from that that the differences are due to

i) Credits of amounts (Rs.1219-7-9) to Cesses.

ii) Wrong credit of Rs.151-5-0 to head X (3)-Mis. which is not Geological receipt head.

iii) Excess credits of a few items (Rs.9-12-0) not relating to the Department.

NOTE—Contn. sheet.

iv) Credit of one item (Rs.23-4-0), the particulars of which is not yet known to the Department.

v) Omission of Rs.6-5-0 in Comptroller's Statement.

& vi) Misclassification in Sub-heads by Treasuries.

---

6. To facilitate credits in the Treasuries I would consider it desirable to do away with the several Sub-heads under VIII Mining Revenue as at present and Geological receipts under X. It will quite do if matters are simplified by having under VIII - Mining Revenue - only two Sub-heads as hereunder -

1. Royalty on Gold.
& 2. Geological receipts.

The details for the latter being furnished the Comptroller as and when required.
